

## ***Parish Radio Link to Housebound Parishioners***

It was decided at the last Open Meeting of Parishioners on 16th October to go ahead with the installation of a Parish Radio Link to Housebound Parishioners.

This ***Radio Link*** which will be installed shortly into our church will beam church ceremonies directly into the homes of the parish. By simply switching on a special ***Receiver***, parishioners will be able to hear Mass and other ceremonies in their own homes and feel part of the parish community.

The ***Radio Receivers*** are simple to operate and provide a good reception for an average sized room. The cost of the Receiver is €30.

If you would be interested in purchasing a Receiver please complete this form and return it to the sacristy.

**Please do not send any money with this form.**

## *Thank You from Fr. Liam Rigney*

15th November 2003

Dear Parishioner,

At all Masses on weekend of 25th/26th October I spoke about the financial position of our parish and published the *Audited Statement of Parish Finances from July 2002 to June 2003* in the Newsletter. In this I drew particular attention to the importance of the **Family Offering Envelope Collection** which is the main source of income for our parish.

I emphasised that I was not looking **for people to give more but for more people to give**. I am really delighted with the response. I want to thank the 253 present contributors and the 94 new contributors.

If there are still parishioners who would like to contribute to this collection please contact me or the sacristy.  
[Phone Fr. Liam 8556474 or Sacristy 8554078]

Again many thanks to all who support our parish .

With every blessing,

Fr. Liam Rigney, Administrator.

*'Giving has  
increased since  
we started using  
the new  
collection plates!'*

### *Next Copper Coin Collection* **Saturday 22nd November**

Thanks to all who collect and contribute to this collection. If your coins are not collected please bring them to the sacristy or phone 8554078 (sacristy).

It was decided at the last Open Meeting of Parishioners that this Copper Coin Collection would go towards the cost of the installation of the *Parish Radio Link* to Housebound Parishioners.
